

AUSTIN

EVERYDAY EARBUDS WITH STYLE

Stylish and compact Urbanista Austin produces a powerful sound combined with eye-catching new colors that complete any look. The small true wireless earbuds are available in two new colors, Lavender Purple and Lake Green, and in the classic Pure White and Midnight Black colorways. Designed for life in motion, Austin lets you enjoy wireless audio wherever you go - the earbuds are protected against splashing water and designed for comfortable everyday use. Urbanista Austin is your new go-to audio companion for any occasion, whether it's for listening to podcasts on the go or needing a boost from your favorite music for your morning walk.
