

MIAMI

Active Noise Cancelling Headphones

Go on a sound journey with the new, advanced Miami headphones offering up to 50 hours of playtime. Dive deep into your favorite music with Active Noise Cancelling that blocks out surrounding sounds for enhanced focus, immersing you fully in your favourite tunes or podcasts. Stay in the flow with Ambient Sound Mode, advanced technology which filters in important sounds so you can stay alert without having to press pause. Miami is available in four stylish colours inspired by the city's vibrant pulse.
