50% Made from recycled plastic

The perfect speaker for listening to music or reading along to your favourite audiobook. Our small Buddies are now made from **50% recycled plastic**. Olive the Owl and Pepper the Penguin Bluetooth speakers allow you to enjoy **up to 4 hours of total playtime**; with an impressive **60-day standby time**. Connect wirelessly to any **Bluetooth 5.0 compatible** device including tablets and smartphones. When connected to your smartphone, the Bluetooth speaker allows you to answer and end calls at the touch of a button, while the **built-in microphone lets you talk hands-free**. The multi-speaker pairing function allows you to connect the speaker with any other wireless Planet Buddies Bluetooth speaker to achieve a full surround-sound effect.
