

AUDIO COLLECTION | WIRED HEADPHONES

50% Made from recycled plastic

Our re-designed range of wired headphones is made from **50% recycled plastic** and is **volume limited to 85 decibels** which is the level recommended by the World Health Organization (WHO). Made from high-quality materials to **ensure strength and durability**, the headphones are designed to withstand handling, drops, and knocks by small children. **Fully foldable** and compact, the headphones come with an in-line microphone and multi-function control button that allows you to **answer/end calls**, pause and play music, skip tracks, and activate Siri/Google Now.
