

AUDIO COLLECTION | FURRY HEADPHONES

100% Made from recycled plastic

Our re-designed range of furry headphones are made from **100% recycled plastic**. They feature a cute, furry animal print design on the headband and earcup. The headphones are fully adjustable with high-quality materials and **soft padded earcups for maximum comfort**. To ensure strength and durability, the headphones are designed to withstand handling, drops, and knocks by small children. Sharing is caring so our headphones come equipped with two 3.5mm jack ports to **connect to a second pair of wired headphones** so you can share what you're listening to.
